STEWARDSHIP REFLECTION

07/15/2018

"He instructed them to take nothing for the journey." When Jesus sent his Apostles out, He sent them "two by two," and He basically commanded them to take nothing on the journey: "no food, no sack, no money in their belts." The point of the Lord is that all they needed was to trust in God. Jesus more or less says the same thing to us. As long as we trust in God, our needs will be met. That is easily said, but it is a bit daunting to actually do it. Yet, people have been doing that since Jesus' time. It is one of the reasons that the Church has thrived for such a long time.

There is a secondary reason for Jesus' instructions though, one with which we may not be familiar. At that time there was a rule that you could not enter a temple area with shoes or a moneybag, because you were there to serve the Lord, nothing else and no one else. The Apostles understood that preaching the Gospel and healing in God's name was holy work. Jesus did not want them to exemplify any other motive either.

One of the foundational elements of stewardship is trusting God. What enables us to be good stewards and to think of giving to God first, of ourselves and what we have, is that we truly believe that God will take care of us. God has a plan for each of us, and it is better than our own plan may be.

Reasons I Never Go to Mass Shower

1. I was forced to shower as a child.
2. People who shower are hypocrites. They think they are cleaner than everyone else.
3. There are so many different kinds of soap, I could never decide which one was right.
4. I used to shower, but it got boring so I stopped.
5. I shower only on special occasions, like Easter and Christmas.
6. None of my friends shower.
7. I'm still young. When I'm older and have gotten a bit dirtier, I might start showering.
8. I really don't have time to shower.
9. The bathroom is never warm enough in the winter or cool enough in the summer.
10. People who make soap are only after your money (There's More)
11. I get along very well without showering
12. I work hard all week and am too tired to take a shower on the weekend.
13. The first bar of soap I ever used gave me a rash, so I haven't gone near soap since.
