STEWARDSHIP REFLECTION

August 12th, 2018

"This is enough, O Lord! Take my life." Talk about a bad day! Haven't we all been through this at some point in our stewardship journey, whether in the parish ministry work we are trying to do, at home with our family or in our profession — we get worn out and worn down.

Elijah's plea — melodramatic to be sure — is a form of the stewardship pillar of prayer, for prayer is simply lifting mind and heart to God. And God responds, sending restorative food and drink. Rejuvenated, Elijah is able to walk for 40 days until he arrives at the destination God had in mind for him all along!

Contrast this with the Gospel reading. The people, hearing Jesus' message, do not understand. But rather than take their complaint to Him as Elijah did, they begin to complain amongst themselves about him — that's murmuring, and it is counterproductive.

Feeling worn down at times is actually part of the stewardship journey. It means we are giving our all to the life God is calling us to live. But it is also a sign to us that we need to find new strength.

How? Ask the Lord! He will meet your physical needs. Even more, He will send you His own Son, the Bread from Heaven, to strengthen you with the Eucharist and the living Word of the Scriptures.

A stewardship way of life takes all the strength we have to give. The beauty of this way of life is that we have a God who delights in giving us every bit of strength we need to live it!

No Remains

There is what might be called the negative historical proof for Mary's Assumption. It is easy to document that, from the first, Christians gave homage to saints, including many about whom we now know little or nothing.

Cities vied for the title of the last resting place of the most famous saints. Rome, for example, houses the tombs of Peter and Paul, Peter's tomb being under the high altar of St. Peter's Basilica in Rome. In the early Christian centuries, relics of saints were zealously guarded and highly prized. The bones of those martyred in the Coliseum, for instance, were quickly gathered up and preserved.

There are many accounts of this in the biographies of those who gave their lives for the faith. It is agreed that Mary ended her life in Jerusalem, or perhaps in Ephesus. However, neither those cities nor any other claimed her remains, though there are claims about possessing her (temporary) tomb. And why did no city claim the bones of Mary? Apparently because there weren't any bones to claim, and people knew it.

Here was Mary, certainly the most privileged of all the saints (and certainly the most saintly), but we have no record of her bodily remains being venerated anywhere. Why? Because they are in Heaven! She was assumed body and soul into Heaven.
