September 30, 2018

Our Gospel passage and the Second Reading from the letter of St. James urge us to examine our lives for anything that is keeping us from loving God above all else.

Jesus says, "If your hand causes you to sin, cut it off... If your foot causes you to sin, cut it off. And if your eye causes you to sin, pluck it out."

St. James warns, "Come now, you rich, weep and wail over your impending miseries. Your wealth has rotted away, your clothes have become moth-eaten, your gold and silver have corroded, and that corrosion will be a testimony against you."

The urgency of our need to detach from all that is not God is clear. When we hold onto possessions too tightly, they come to possess us. The "stuff" can easily become the focus of our energy and attention. Attachment to material things slowly and steadily corrupts.

The spiritual discipline of tithing — or stewardship of treasure — can help us with this. Tithing leads us to let go of unhealthy attachment to material things and leads us to attach instead to God, relying on Him as our true source of security and happiness. We come to understand that all that we have is a gift from our loving Father and we use it to bless others and glorify Him.

Amazingly, we actually enjoy material gifts, and all other gifts, more as a result because we realize where they really came from and are using them as God intended. What wonderful freedom there is in living this way!

**National Life Chain Sunday:**

On Sunday, October 7th, 2018, St. Patrick's Pro-Life Committee will once again sponsor the National Life Chain at the intersection of 16th and Main from 2-3:30pm.

LIFE CHAIN is a peaceful and prayerful public witness of pro-life individuals standing for 90 minutes praying for our nation and for an end to abortion. It is a visual statement of solidarity by the Christian community that abortion kills children and that the Church supports the sanctity of human life from the moment of conception until natural death. It is the largest pro-life, public witness in the world. For more information, visit <http://www.lifechain.net>.

**"Arrow Grant"**

A priest tells a story of going to a family's home for dinner. At one point the husband left the room to get some refreshments while the wife went to the kitchen to check on the meal. The priest was left in the den with the couple's five-year old son. The boy sat beside the priest and peppered him with questions.

Finally the child asked, "Father, what is an 'arrow grant'?" The priest replied that he had never heard of such a thing. When the wife returned, the child persisted in wanting to know the answer. "What is it you want to know, honey?" she asked.

The child repeated, "What does 'arrow grant' mean?" The mother asked her son where he got such a word. He responded, "Mama, on Sunday you and daddy always say that Father is so 'arrow grant' (arrogant)." One can imagine the mother's embarrassment, but the story illustrates how easily our actions and speech can be picked up and imitated, whether good or bad, by "little ones".
