Stewardship Bulletin Reflection:

December 23, 2018
 Fourth Sunday of Advent

Our Blessed Mother takes center stage on this fourth Sunday of Advent, and fittingly so, as we draw near to the celebration of her Son's birth. After our Lord Himself, Mary is our model and guide to a stewardship way of life. Today's Gospel passage from Luke describes Mary's actions immediately after her "yes" to the angel Gabriel's message. "Mary set out and traveled to the hill country in haste to a town of Judah... and greeted Elizabeth." Mary immediately begins to think of others before herself, setting out quickly to be with her cousin, modeling two of the pillars of stewardship – Hospitality and Service. What warmth and humility the Mother of our Savior shows, traveling to Elizabeth to spend time with her, rejoicing with Elizabeth over her own incredible pregnancy, and assisting her in a time of need. And what joy this hospitality and service brings to Elizabeth. Our Blessed Mother's example of a stewardship way of life is one that we, her children, can follow in our own lives today. With all the gifts God gives us – our time, our talents, our material possessions – we, too, can offer ourselves to God by using these gifts to serve and glorify Him. In so doing, we will effectively spread the Good News of the Gospel to the world around us today. We will be stewards after our Mother's own heart.

At Least I Made a Difference to That One!
 A little girl was walking along a beach covered with thousands of starfish left dying by the receding tide. Seeking to help, she started picking up the dying starfish and tossing them back into the ocean. A man who watched her with amusement, said, "Little girl, there are hundreds of starfish on the beach. You cannot make a difference by putting a few of them back into the sea." Discouraged, she began to walk away. Suddenly, she turned around, picked up another starfish, and tossed it into the sea. Turning to the man, she smiled and said, "At least I made a difference to that one!" Today's Gospel tells us how Mary, a village girl carrying Jesus in her womb, made a difference in the lives of her cousin Elizabeth and of the child, John. in her womb. John, as he grew up, helped Mary's Son to transform the history of mankind by preparing the way for the Messiah. The starfish story suggests that each person, no matter how unimportant, may truly benefit from our work, and that any service, however small, is valuable. The story also shows how seemingly hopeless problems can be solved by taking the first step.
