Stewardship Reflection

01/27/2019

In St. Paul's letter to the Corinthians, it states

"If they were all one part, where would the body be? But as it is there are many parts, yet one body" (1 COR 12:18-20).

What does this teach us as Christian stewards? It shows us that we all have equal dignity and worth in God's sight, and that if God sees us as equally precious, we should view each other in this same light. It teaches us to humbly recognize our own gifts as well as the giftedness of every member of our parish family. And, while God designed us to be ultimately dependent on Him, it seems He has also designed us to need each other!

This is part of the beauty and richness of a stewardship way of life. No one person can "do it all" in life — whether in family life or parish life. But God does not ask us to do it all. He simply asks us to share the gifts and talents we do have in the season of life we find ourselves right now.

Enrollment 2019-20 will be available for all new and returning families this weekend. Come see us out in front of the church after each Mass, and send some new families that way too. Grade School, Preschool, Daycare, Summer Daycare enrollment forms will all be available.

Reminders:

*Please pick up your 2019 Contribution envelopes in the Parish Hall. Make sure it's your NAME, on the box.

*If you would like a Printout of your 2018 Charitable Contributions for tax purposes, call the rectory. We can email, mail or you can pick-up.

*The monthly Prayer list will begin anew Feb 1st - with a clean slate. If there is a prayer intention you'd like to see remain on the monthly list, please call or come by the rectory so it can be added to the new list.

A slip of a girl from a very small town

**Where gossip was quick to drag the best down;
 A girl that was single was having a baby,
 It was certainly a sin; no if, but, or maybe.**

**No way to explain an illegitimate child;
 The rumors were swift, they began to run wild.
 She led a good life, she tried not to sin;
 But her neighbors now thought how terrible she'd been.**

**The man she would marry, now what would he say?
 How would she tell him? It would sure ruin his day.
 No DNA test; there was no need to bother.
 She knew her betrothed could not be the father.**

**She was such a young girl; this time in her life,
 A baby could bring her nothing but strife.
 A marriage was planned, and a trip far away;
 Her love was a carpenter with very poor pay.**

**So if he would have her no matter her plight,
 How would they survive with a budget so tight?
 He was such a good person; a very nice man,
 But when he found out would he understand?**

**Her friends were so quick to give her advice;
 No man would want her no matter how nice.
 "Before he finds out," they said, "there's no doubt,
 We tell you as friends take the easy way out!"**

**"After all, it's just tissue; it's not yet a life.
 Why should it cause you inconvenience and strife?"
 She knew what they called "just fetal demise"
 Was the death of a child in God's Holy eyes.**

**And she knew a great sin it surely would be,
 Not just against God but humanity.
 What a terrible world of hate and distortion,
 If Mary of Nazareth had had an abortion.**

Please continue to pray that all those who are considering an abortion may get the support they need to make the right decision, the decision for life. And pray also for those that have had an abortion, that through the mercy of God they may come to know the Truth and be healed and converted.
