**Stewardship Bulletin Reflection  
 March 17, 2019**

In last week's Gospel, we followed Jesus into the desert where He fasted and prayed. This week, He leads us up a mountain to witness His Transfiguration. Why both of these experiences?

He is preparing us to go with Him in a few short weeks to a hilltop — Golgatha — where He will lay down His life for our sake, and then finally to take us to an empty cave where He triumphed over sin and death once and for all.

Jesus perfectly understands our humanity. He knows we need desert experiences — times of self-denial and testing — in order to arrive at mountain-top moments when we see and feel His glorious presence in our lives. The purpose of these two types of experiences is summed up in the description of the Apostles who were with Jesus at that mountain-top experience in today's Gospel: "Peter and his companions had been overcome by sleep, but becoming fully awake, they saw his glory...."

The reason for all of our fasting and prayer and almsgiving during lent is to be reawakened to all God has done for humanity, and to all that He has done for each of us personally. It is all too easy to get lulled into complacency in our daily routines, to "sleepwalk" through life, getting up and getting ourselves out the door, going to work, returning home for dinner and dishes, meetings or sports activities, and finally flopping on the couch to watch TV until bedtime. While there is nothing inherently sinful in this routine, as Christian stewards, we are called to so much more!

This lent, let us train ourselves, or more precisely, allow Him to train us to say "Yes" to His will and to offer our lives back to Him in gratitude. In so doing, we, too, will become "transfigured." This is what it means to live fully awake; this is a stewardship way of life and it is glorious indeed.

 to all who generously gave to the Pro - Life Crib.  
 Your generosity speaks volumes.**

**Listen to Him**

**A man and his family were in a hotel room and he was to give a speech at a convention being held there. Now the convention schedule was very tight and he was told that he only had a certain number of minutes to give his speech. So it was very important that he keep track of time during his speech, so that the entire program would not get thrown off schedule.**

**However, this man now stood in his hotel room in a complete panic because he could not find his watch, which was going to be the way he ensured his speech stayed within the necessary time constraints. His wife and kids were all running about the room in a frenzy helping him search for his watch. Finally, the man shouted out, "Everybody freeze!", and everybody stopped where they were in total silence until they heard the ticking and in that silence they found the watch.**

**In the gospel today the voice of God the Father is heard by Peter, James, and John saying, "This is my chosen Son; listen to Him." Today we can ask, do we respond to this command of God, do we "listen to Him"?**

**We can often become so distracted by the "noise" of the world that we can fail to hear what God is trying to reveal to us. So let us set aside some time each day during this season of Lent and enter into the silence of prayer so that we may truly listen Him.**

**Adoration...**

"Jesus could have limited His Presence only to the celebration of Mass, but no! He wanted to make a permanent dwelling among us. Night and day He awaits us and offers Himself to us at all times. Like a most tender mother, He opens His arms to us. He is there generously to give us His gifts. He is there to draw us to Him and lead us to paradise with Him. Oh! Let us go visit Him often."

— — — St. John Bosco

Lent is the perfect time to make a commitment and become a regular Adorer of Jesus in our Adoration Chapel. Call the church office to sign up for your Holy Hour.
