Stewardship Bulletin Reflection:

May 12, 2019

Throughout the Easter season, our readings have given us glimpses into the life of the newborn Church and the bold witness of the early disciples in spreading the Good News of Jesus Christ to all who would listen. These disciples were the first to live a stewardship way of life and their example is as relevant today as it was 2,000 years ago.

In the First Reading, from the Acts of the Apostles, we catch up with Paul and Barnabas in Antioch. While they certainly have some success in reaching many people there with the message of salvation, others are downright infuriated by their words and send them packing. Yet, we read that "the disciples were filled with joy and the Holy Spirit." Overall, it seems as if Paul and Barnabas had failed in Antioch. But this seeming failure has not robbed them of their joy. What's more, they are filled to the brim with the abundant gifts of the Holy Spirit. How is this possible?

It is only possible because Paul and Barnabas saw themselves as nothing more and nothing less than stewards of Christ and His Good News. This realization brought them freedom — to offer themselves and their lives to others for the sake of the Gospel. The "results" of their efforts were up to God.

This Spirit-filled, joy-filled life is available to all of us, all these years later. It can be achieved when we recognize, like Paul and Barnabas, that all we have and all we are is a gift from God, meant to be shared with others for His glory. Of course, living as God's stewards does not mean a life of ease or a life free of sacrifice. Sometimes the steward's life involves great challenges, requiring all the strength and love one has to give. But in the end there is simply no more satisfying way to live.

Rudderless

In the beginning of World War II, the Nazis commissioned a massive battleship named the Bismarck. It was the biggest fighting vessel the world had seen up to that time. With the Bismarck, the Germans had the opportunity to dominate the seas. Very soon after it was commissioned, the Bismarck sank tons of Allied shipping and allied aircraft. Its massive armor plating resulted in the boast that the Bismarck was unsinkable. But the Bismarck was sunk. And it was sunk due to one lone torpedo. A torpedo hit the Bismarck in the rudder. As a result, the battleship zig-zagged through the sea, unable to reach harbor. It was only a short while before the British navy was able to overtake and destroy it. No matter how large the battleship may be, it is doomed without a rudder to direct it. Floundering on the waters of chaos without a rudder, the Bismarck is a modern-day image of a world without the direction of Jesus the Good Shepherd. Without the Lord, the world is headed toward chaos. But with the Lord there is guidance, direction and purpose in life.

Prayer for Mothers

All-loving God, we give you thanks and praise for mothers young and old. We pray for young mothers, who give life and tend to our every need; May they be blessed with patience and tenderness to care for their families and themselves with great joy. We pray for our own mothers who have nurtured and cared for us; May they continue to guide us in strong and gentle ways. We remember mothers who are separated from their children because of war, poverty, or conflict; May they feel the loving embrace of our God who wipes every tear away. We pray for women who are not mothers but still love and shape us with motherly care and compassion. We remember mothers, grandmothers, and great-grandmothers who are no longer with us but who live forever in our memory and nourish us with their love. Amen.

There's No Holy Water!!!

Since Easter, I have heard this or variations of this exclamation, "There's No Holy Water!!!", one would think that it is more important than the Eucharist, but rest assured there is holy water in the Church. Yes, there is no holy water in the font (big silver container) at the entrance of the Church, but there is holy water in the baptismal font in the front of Church next to the ambo and Easter candle. You may fill your holy water bottles from it, just remove the lid (yes you may need to slide the lid over first) and dip. The holy water will remain in the baptismal font throughout the Easter season, so as to give a greater expression to the fact that holy water is to remind of us of our baptisms and the life that God has given us through that Sacrament and how our entire life should be a response to that gift.

Thank you..

A Sincere Thank you to Fr. Curtis, the Altar Society, the Shawl Committee and all who had masses said for our brother Joe. A special thank you to SPCS children who wrote the caring cards to Joe during his last days. They were very special to him. The family of Joe Dwyer
