Stewardship Bulletin Reflection

September 15, 2019

Today's readings focus on the personal, passionate and merciful love of God, which should fill us with unending gratitude to Him. This gratitude is the fuel that keeps the stewardship way of life rolling along.

In our Second Reading, from St. Paul's letter to Timothy, we find a grateful Paul who says of himself, "I was once a blasphemer and a persecutor and arrogant, but I have been mercifully treated." St. Paul is well aware of the sins he has committed. But this does not hold him back from ministry. Rather, it makes him all the more grateful to be God's steward. How encouraging to know that this is true for us, as well. Our past sins, and even our present struggles, do not disqualify us from becoming God's grateful stewards.

Jesus gives us several poignant illustrations of His merciful love in today's Gospel reading from Luke. Let us focus on one in particular — the story of the lost sheep. He asks, "What man among you, having a hundred sheep and losing one of them would not leave the ninety-nine... and go after the lost one until he finds it?"

The logical response is no one! It simply does not make sense to spend time and energy searching for one lost sheep when there are so many others to tend to. But God's logic — God's mercy — defies human logic. And who is the lost one? It is every one of us when we stray away from God through sin, great or small.

What gratitude we owe to such a personal, passionate, loving God! Just think, even our sins, once forgiven, become a source of fuel for our stewardship way of life as we reflect with deep gratitude on the powerful mercy of our Savior.

Empowered: Fully Alive as Missionary Disciples

The title of this article is the new Diocesan stewardship theme for this coming year. You may remember that last year's theme was Fully Alive as Missionary Disciples", whose focus was placed on the life of discipleship (relationship with Christ) and the fullness of life that flows from that relationship.

This year, the focus on discipleship remains, though with an important clarification: the life of discipleship is not us "white-knuckling" it, but is a life empowered by the Holy Spirit.

In the Acts of the Apostles, the Apostles were told by Jesus to go to Jerusalem and wait for the coming of the Holy Spirit. It was at this time that they were Empowered by the Holy Spirit to go out and witness to Christ to the ends of the earth.

It is this "empowerment" that the Early Church Fathers spoke of as "deification" or "divinization", meaning that through God's grace we are given a share in His divine life; empowered! It is this empowerment that we most effectively receive through the Sacraments. Perhaps a question to begin pondering in relation to this theme is, "Am I empowered by the Holy Spirit and God's Grace...am I living a sacramental life?"

Wanting to join the new Bible Study, but not sure what its all about... we are gathering in the Parish Hall, come sit in and then decide.

Three class times to choose from: Starting this week.
