**Stewardship Bulletin Reflection**

**October 13, 2019**

Gratitude is the key to a stewardship way of life. Today's readings demonstrate the power and vital importance of gratitude in the life of the Christian disciple, for gratitude leads us to worship God, who offers us salvation.

We see the power of gratitude on display in the Gospel passage from Luke after Jesus heals 10 lepers. "And one of them, realizing he had been healed, returned." Only one of the 10 recognized the tremendous blessing he had received from Jesus, and he returned to thank Him. While it's easy to feel indignant at the failure of the nine others to return and thank Jesus, how often do we fail to recognize the blessings, answered prayers, and healings (both physical and spiritual), that the Lord showers upon us day and night?

The truth is that our very lives and every breath we take are His gift to us. But we can get so caught up in the stresses and distractions of daily life that we lose touch with this truth.

The Samaritan reacts to his gift of healing with the proper response to our loving God. Recognizing what he had just received from the Lord, he "returned, glorifying God in a loud voice; and he fell at the feet of Jesus and thanked Him." He was grateful for what God had done for him and this gratitude led to worship.

And because of this response, Jesus offered him a far more precious gift than physical healing; He offered him the gift of salvation. "Stand up and go; your faith has saved you."

Too often we hear the phrase, "Count your blessings," and write it off as nothing more than a trite saying. Today's Gospel shows us otherwise. Gratitude is powerful. It deepens our faith in God and leads us to fitting worship of Him.

**ANOTHER SMART USE OF YOUR IRA—**

Congress made the IRA charitable rollover permanent. This allows taxpayers who are required to withdraw money from their IRAs to give directly to their parish. While you won't receive an income tax deduction for this, you also won't pay any income tax on the transfer.

**Requirements for making an IRA rollover:**

- You must be age 70 ½ or older.
- You must transfer money directly from your IRA to your parish.
- You can give up to \$100,000 annually from your IRA.

**Two List**

Perhaps Daniel Defoe gave us some good advice through his fictitious character Robinson Crusoe. The first thing that Crusoe did when he found himself on a deserted island was to make out a list. On one side of the list he wrote down all his problems. On the other side of the list he wrote down all of his blessings. On one side he wrote: I do not have any clothes. On the other side he wrote: But it's warm and I don't really need any. On one side he wrote: All of the provisions were lost. On the other side he wrote: But there's plenty of fresh fruit and water on the island. And on down the list he went. In this fashion he discovered that for every negative aspect about his situation, there was a positive aspect, something to be thankful for. It is easy to find ourselves on an island of despair. Perhaps it is time that we sit down and take an inventory of our blessings."

Looking ahead: Father Curtis will be attending the Clergy Conference  
October 21st thru October 24th.

**The Fatima Miracle of the Sun,—Today marks the 102<sup>nd</sup> Anniversary of the Fatima Miracle of the Sun. Our Lady revealed the message of Penance, Prayer and Devotion to her Immaculate Heart to three children, (now Saint) Francisco, (now Saint) Jacinta, and (Servant of God) Lucia. That message is relevant today—especially today!**

**One aspect of devotion to Mary's Immaculate Heart is the Rosary. Please join the Pro-Life Committee and the Nation in praying the Most Holy Rosary simultaneously across the United States.**
