**Stewardship Bulletin Reflection
 November 10, 2019**

Today's readings challenge us to focus on the "why" of stewardship. Why embrace this challenging way of life when it seems hard enough just to meet the demands of our daily lives and responsibilities? Because this life is not all there is. While we cannot earn our way into Heaven, what we do now with the life God has given us has eternal consequences. Stewardship living helps us to keep focused on our hoped-for destination in the choices we make each day.

In our Gospel passage from Luke, Christ reminds us we were made for more than just this life, and our choices have eternal consequences. In this passage our Lord corrects some Saducees for their mistaken notion that there is no resurrection. He instructs that "those who are deemed worthy to attain to the coming age and to the resurrection of the dead... can no longer die, for they are like angels; and they are the children of God because they are the ones who will rise.

Stewardship is not about the particular amount or kind of time, talent and treasure that we offer. It is about the conviction that everything we have is a gift from our loving God. Revisiting these three aspects of our lives on a regular basis, prayerfully discerning the best use of our gifts, and putting this down in writing clarifies and strengthens our conviction to put God first.

That is the "why" of stewardship.

Saints Wax Museum

The teachers and students do all kinds of things to highlight the lives of the saints, but one marquee event every year is the Middle School Saints Wax Museum. There will be 19 different saints on display Thursday, Nov. 21st from 1:30 - 3:00 in the Parish Hall. The 7th and 8th graders will be dressed as various saints and telling about their lives. All parishioners, parents, grandparents, families, etc. are invited to come see the students and their presentations. They're really looking forward to showing off the hard work they have put, into their projects this year.

Prayer for Veterans

Heavenly Father, we ask you to look down upon our brothers and sisters in arms, and bless them as they stand ready to defend us from the agents of evil. For those who are preparing and training to serve, we ask you to make them strong and resolute in their calling, so that in the hour of need they will serve ably and honorably. For those who serve, we ask you to send blessings of comfort and encouragement. May they know they are not forgotten, either by you or their loved ones at home. For those who experience the horrors of war, we most fervently beseech you, O Lord, to place your hand upon their hearts and steady them in battle. Be their shield and bulwark in battle.

For those who have returned from service, we ask your special intercession. In returning home, many of your sons and daughters face new battles with enemies, lethal as bullets. Embrace these children of discord, and hold them tightly to your bosom, Lord, so they may know your comfort in their darkest moments. Restore sight to their eyes, and shine radiant upon their faces, that they may walk not in the shadows which ensnare, but in the light of your glory.

For our wounded veterans, who bear scars in their hearts, minds, and bodies, we ask your blessing. Lord, cherish this wounded legion, invited to share in the suffering of Christ. May they see Christ though their pain, and find hope in His promises. We await the day you make their bodies and their hearts whole once again. For those who have left their uniform hanging in the past, who move with difficulty, who reflect with a distant gaze upon times better unknown, we ask you to send these veterans comfort and peace. May they live long as examples of courage and faith, and may they inspire their children and grandchildren to stand ready to defend our Constitution, our God-given rights, and our faith. May you raise up all our dear veterans in the palm of your hand, and bless them. Amen.

Reverse the Ruling Pro-Life Effort—The Kansas Supreme Court recently created a nearly unlimited "right to abortion" in our State Constitution. The consequences are horrific. Taxpayer funded, late-term abortions could soon take place in Kansas. Already today as a direct result of the decision in Hodes & Nauser, MDs v. Schmidt, live dismemberment abortions continue in Kansas at a rate of about a dozen a week.

The only way to realistically overturn this shocking decision and place limits on the abortion industry is to **REVERSE THE RULING** by amending the State Constitution. The Catholic Church in Kansas is helping to lead this effort to pass a state constitutional amendment. The first step is encouraging everyone to sign the **REVERSE THE RULING** petition which will be available in the back of church. Learn more about this effort at www.KansasCatholic.org
