Stewardship Reflection - 03/08/2020

Our readings for this second Sunday of Lent offer us Christian stewards motivation to continue on our 40-day journey towards deeper holiness.

The first reading from the book of Genesis describes God's call to Abram (who would later be called Abraham). God instructs Abram to leave his home and set out to a land that God had chosen for him. Abram's response is an ancient example of a good stewardship. Instead of clinging to his comfortable home and way of life, he recognizes that all he has is gift from God, puts his trust in God and obeys. And God rewards him saying, "I will make your name great, so that you will be a blessing."

To "be a blessing" is the true aim of a stewardship way of life. It is also an excellent way to live out the season of Lent. The sacrifices we take on, the spiritual disciplines we practice, the extra acts of service we perform during this season — all give glory to God and transform our lives into a blessing for others.

Lest we grow weary on this path, our Gospel passage today, from Matthew, offers us a powerful image of the great God we serve. It is the story of the Transfiguration of Jesus, when our Lord reveals Himself in His true glory and the Father says, "This is my beloved Son, with whom I am well pleased; listen to him." The apostles who witnessed this were awestruck. But our loving Savior reassured them saying, "Rise, and do not be afraid."

As we continue on our Lenten journey, let us take these two verses, "Listen to him," "Rise, and do not be afraid" to heart. Let us rely on God's strength to aid us in our spiritual disciplines as we move through Lent. We will arrive at Easter with deeper holiness, as a blessing to God and others — and as better stewards of all God's gifts to us.

Eternal Rest grant unto her Oh Lord, Elizabeth Munding, Let Perpetual Light Shine Upon her, May She Rest in Peace.

No Sign of Peace

While there have not been any cases of the coronavirus in our Diocese, as a preventative measure Bishop Kemme has directed that all parishes suspend the sign of peace during Mass until further notice from his office. Also in his letter he asks that for those who may hold hands during the Our Father to also suspend that practice (which is liturgically incorrect regardless).

Consecration to St. Joseph

Fr. Donald Calloway, MC recently released a book entitled, "Consecration to St. Joseph: The Wonders of Our Spiritual Father" that I believe is much needed in our present world to remind men what it means to be authentic men and how to live their God given vocations as husbands/future husbands and fathers/spiritual fathers. This book is based on the 33 day consecration model, which means it provides and leads you through 33 days of readings/prayers (don't worry they are short) focusing on different aspects of St. Joseph and how they relate to the reader. I myself have been reading this book, and have found it very rewarding, and will make my consecration on March 19th. And while this consecration is certainly not limited to men, women can gain just as much spiritual grace and growth from its insights, I want to especially encourage the men in our parish to consider making this consecration because the Church and world is in desperate need of authentic and virtuous men just like St. Joseph. The next upcoming consecration date is May 1st, meaning you would begin on March 30th. So I encourage those interested to order the book and on March 30th begin the journey towards drawing closer to our spiritual father St. Joseph. For more information visit consecrationtostjoseph.org
