Benefit Breakfast – Sunday, January 16

Jeri Ann's Breakfast

Jeri Ann Giefer is Mom, Grandma, Sister/Sister-in-law, Cousin or friend. As our long-time St. Paul City Clerk, she is also the glue that holds our small community together. Jeri is always there to help.

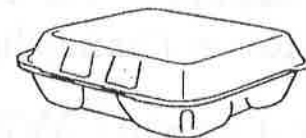

This past spring, Jeri experienced a rapid, twenty-pound weight loss. Despite feeling fine, she followed medical advice and underwent testing. On July 21, she was diagnosed with Stage T3, N1 Colorectal Cancer; that had metastasized to some of her lymph nodes.

Since her diagnosis, Jeri's life is a succession of chemotherapy and upcoming radiation treatments; with pauses for CT scans and evaluation. Radiation treatments, and low-dose chemotherapy, will start on December 27. Radiation will require five weeks of exhausting five-day-per-week trips to Chanute. Additionally, there have been uncountable trips to Wichita and other locations. Surgery is planned during March.

Jeri is insured, but with very high deductibles and co-pays; and her deductible/copay restarts in January. She has driven thousands of miles for treatments and evaluations. She has been able to work from home when she cannot stay at the office. She has several months of treatment and a surgery ahead. Jeri needs some help and our area community can do just that. Let's get another large crowd into the Saint Francis Parish Hall on January 16.*

Serving from 8:00 a.m. to 11:30 a.m.
