Stewardship Bulletin Reflection

February 13, 2022 — Sixth Sunday in Ordinary Time

Today's readings speak of an essential quality for the Christian steward — hope. According to the Catechism of the Catholic Church, "Hope is the theological virtue by which we desire the kingdom of heaven and eternal life as our happiness, placing our trust in Christ's promises and relying not on our own strength but on the help of the grace of the Holy Spirit (CCC 1817)." In many ways, this is the very definition of a stewardship way of life — focusing on eternity as we live our daily lives and relying on God to provide for our needs and satisfy our deepest longings for meaning and happiness right now.

In today's Gospel from Luke, Jesus describes the true richness of life that is possible for those of us who are willing to live as his hope-filled disciples. We are all familiar with this passage in which Jesus reveals the Beatitudes: blessed are the poor; they have the kingdom of God. Blessed are those now hungry because they will be satisfied. Blessed are those who weep because they will laugh. Blessed are those who are hated, excluded, and insulted because they are disciples of Jesus; they will be greatly rewarded in heaven. Jesus is describing here the character of one who is living a life of hope — the life of a Christian steward whose trust is firmly rooted in God and who is focused on others and eternity. It is not always an easy life, but it is a deeply meaningful life and one that leads to eternal reward.

Happiness Myths

Dr. Harold Treffert is the director of the Winnebago Mental Health Institute in Wisconsin. In an article entitled "The American Fairy Tale," he discusses five dangerous ideas we have about the meaning of happiness. First, happiness is things. The more you accumulate and have, the happier you will be. Second, happiness is what you do. The more you produce and earn, the happier you will be. Third, happiness is being the same as others. The more you are fashionable and conform with the times, the happier you will be. Fourth, happiness is mental health. The fewer problems you have and the more carefree you are, the happier you will be. Fifth, happiness is communicating with electronic gadgets. The more you can communicate with a television set, a satellite, or a computer, the happier you will be. According to Dr. Treffert, these five myths about happiness are the cause of many mental health problems today. — If happiness cannot be found through these five myths of "The American Fairy Tale," then where do we find it? Jesus gives us the answer when he outlines the beatitudes in today's reading from Luke.

Mothers or other influential women in the girls' lives are asked to participate. Space is limited to the first 50 families. Please register at <https://fiatministries.org/mother-daughter/> by Sunday, February 27. The cost for this event is \$10 a person or up to \$30 a family. Jesus said "Anyone who goes to Mary and Prays the Rosary Cannot be touched by Satan."

Is it any wonder that anyone who prays the Rosary from the heart is Blessed and Protected.

"FIAT" is a Latin word for "Let it be done." It was Mary's response to the angel Gabriel when she was asked to become the mother of Jesus.

Attention: If you generously brought a dish for a funeral dinner, and looking for your container, its in the concession stand at the school, please pick-up after masses. If you lost a watch, please call the Rectory....

Prayer to St Michael The Archangel
St. Michael the Archangel, defend us in battle. Be our protection against the wickedness and snares of the Devil. May God rebuke him, we humbly pray, and do thou, O Prince of the heavenly hosts, by the power of God, thrust into hell Satan, and all the evil spirits, who prowl about the world seeking the ruin of souls.
