Church Renovation/Capital Campaign Pledges
 A number of parishioners selected either "Electronic Giving" or "Stocks, bonds, IRA, etc." on their pledge card. Both of these stated that they would be contacted by the office. Office personnel have tried to contact most of these people. If we did not speak directly with you, and you need help with setting up either of these methods, please call the parish office. If you wish to use ACH, you need to fill out an ACH Authorization form. This form is available on the parish website under the Home tab - Parish forms., and in the parish office. The completed form should be turned in to the parish office along with a voided check or copy of a check. There is no cost either to you or the parish for ACH. If you wish to use PayPal, there is a link on the website under the Capital Campaign. If you contribute by check or cash, please make a notation on the check that it is for "Church renovation," "Roof Repair," "Capital Campaign" or something similar. Please do not combine regular tithe and capital campaign on the same check. This will help us to credit your record correctly. If giving cash, please place it in an envelope with your name and a similar notation as for checks.

Stewardship Bulletin Reflection
 June 26, 2022 — Thirteenth Sunday in Ordinary Time

Today's readings take us back to the basics, inviting us to reflect honestly on our deepest priorities in life. In today's Gospel, from Luke, Christ refers to the struggle to put Him above all else as He encounters two "would be" disciples on His way to Jerusalem. "Follow me," Jesus says to the first man. "But he replied, 'Lord let me go first and bury my father.'" The other said, "I will follow you, Lord, but first let me say farewell to my family at home." These two want to follow Christ but only on their own terms, only after taking care of some other, more pressing matters (at least in their own minds). To this, Christ says thanks but no thanks! Following Him requires an unqualified "yes" not a "yes but..." We are called to put Christ and His kingdom ahead of our own plans if we truly wish to be his disciples and to find victory in the battle of selfishness. Living stewardship as a way of life can go a long way in arming us for victory. Stewardship living provides us with a custom-made "training plan" — the commitment to the Kingdom of God. It is a plan discerned through prayer and by looking at the realities of our unique circumstances, strengths, and limitations. The daily discipline of committing to the plan strengthens us and helps us gradually move away from the "yes, but" attitude and towards an unqualified "yes!" to Christ and His will. Do not be afraid to give the best of yourself and your gifts to Christ. He deserves nothing less. And this way of life, while challenging, will be characterized by a joy and peace that only comes from living for Him.

SPCS AUCTION KICK-OFF MEETING

Yes, you read that right! After taking two years off, we are bringing back the school auction this coming fall! Date is TBD. Any parishioner looking to get involved with the school auction is welcome to be a part of the committee. You don't have to be a school parent to join the fun. The meeting will be this Sunday, June 26th at 4:00pm at John Schibi's Kof C Insurance Office. Beverages and snacks will be provided. If you can't make the meeting, but would like to help in some way, please contact Kayan at 620-820-4002. Thank you and God Bless!

St. Patrick Catholic Church in Chanute, Kansas will host the Vatican International Exhibition of Eucharistic Miracles of the World July 8 - 10, 2022 in the parish gymnasium, 424 S. Central, Chanute., KS

The hours for viewing this free exhibit will be:
July 8th - 8:00 - 10:00 AM & 6:00 - 8:00 PM
July 9th - 4:00 - 8:00 PM
July 10 - 10:00 AM - 3:00 PM

Young Italian Carlo Acutis believed if people understood the true presence of Christ in the Eucharist, and the amazing graces that they could receive from it, their lives would be transformed. Driven by his desire to share this understanding, Carlo completed this work in 2005 and died a year later of leukemia at the young age of 15. He was beatified "Blessed" October 10, 2020. Please Pray for: The end of abortion and all sins against life.

Preserving Our Heritage, Our Faith, and Our Future
 Thank you to all who have made a commitment to the future of St. Patrick! Thank you to all who volunteered and had a role in our capital campaign! Thank you to all who prayed and continue to pray for our parish, the capital campaign, and the success of our project! Currently we are working on wrapping up the commitment phase of our capital campaign. If you have not returned your pledge/commitment card, please do so at your earliest convenience. You may drop them off at the church office, put in the collection basket, or mail them. Although we have had great success, your commitment is extremely important to us and to our parish. If for some reason, you have not received a pledge commitment letter/packet, please contact the parish office. It is an exciting time at St. Patrick as we all work together to better meet the needs of our parish families.

Relationship Between Freedom and the Right to Life
 "Unwilling to describe the details of dismemberment that the abortion procedure entails, supporters of its legality have taken refuge in much more positive words like "freedom" and "choice." Ironically, of course, abortions do not happen because of "freedom of choice," but rather because some pregnant women think they have no freedom and no choice but to have an abortion. Hence the pro-life movement works daily to provide alternatives to abortion. But to invoke "freedom" to justify abortion twists the very notion of freedom, in a way that today's second reading warns against. The corrective truth that Paul gives is that we are to love our neighbor as ourselves. The unborn children are our neighbors, and loving them starts with protecting them from violence. The command to "love our neighbor as ourselves" doesn't simply mean to love them "to the same extent" as we love ourselves, but more fundamentally to love them "as a person like ourselves." In other words, it means that we recognize in them a person with the same worth, value, dignity, and rights as we ourselves have. This is precisely where the "pro-choice" mentality has gone wrong, when it fails to see the unborn child as our neighbor. The justifications for abortion would not hold if invoked as a reason to kill a born child. "Love your neighbor as a person like yourself." Our Declaration of Independence invokes the "right to life" as an "unalienable right" granted to all "by their Creator," not their government. What God gives, government cannot take away. This is the foundation of our freedom — that God himself grants our human rights, and that "to secure these rights, governments are instituted." This is the basis of the freedom we enjoy in America. Preserving that freedom requires preserving the fundamental rights that are its foundation, starting with life itself." (Fr. Frank Pavone)

Capital Campaign Prayer
Heavenly Father,
By your Divine Will and Providence,
you established our parish under the patronage of St. Patrick 150 years ago.
Throughout these years you have provided for and guided our parish with your Grace in every moment of need. With confidence we call upon your Divine Assistance once again, to guide us and lead us, to give us generous hearts open to Your Will, as we work to repair our Church.
So that through our efforts and your Grace we may preserve our heritage, strengthen our faith, and our future, providing a holy place for generations to come to encounter and grow in the faith and love of Jesus Christ. We ask this, and all things, through Christ our Lord.
Amen.
