for a *SACK SALE***

St. Vincent's has generously decided to give their profits of the day. The funds will be given to the kids to use for a community service project.

See you there!

How to reuse items from a thrift shop

Cut up old clothes and lay them in your flower patch under mulch to keep the weeds from growing.

Create your own ugly Christmas sweater.

Buy old Tupperware containers to use when you make food for someone. They can keep the container or pass it on when they cook for someone.

Purchase an old frame. Add some wire and clothespins to display photos.
