Stewardship Reflection
April 9, 2023 — The Resurrection of the Lord

The great feast of Easter has begun, Christian stewards. Let us rejoice and be glad! Just as we embraced the discipline and fasting of Lent, let us fully embrace the joy and feasting that the next 50 days offer. We are called to be good stewards of the Easter season.

Our first reading, from Acts, gives instruction on how to do this. Here, St. Peter says that our Lord, "commissioned us to preach to the people and testify that he is the one appointed by God as judge of the living and the dead... that everyone who believes in him will receive forgiveness of sins through his name."

How do we ordinary people preach and testify to all God has done? We do so through how we live our ordinary lives — through the intentional use of our time, talent, and treasure for the kingdom of God. Putting God and others ahead of ourselves in every aspect of our lives is the most eloquent preaching we can do. Boldly and joyfully embracing a stewardship way of life is our most powerful testimony.

As Christian stewards, we are the modern-day witnesses of an incredible miracle prompted by unfathomable love — the death and Resurrection of our Savior for us. Let us rejoice and be glad and let's make sure our lives are a testimony to this amazing grace!

A Blessed Palm..

A blessed palm would be hung up in the house; one would be put out in the barn so that the animals could share in the blessing. And another would be set aside to be used as a sprinkler for Holy Water.

Joyous Time of Year
May the glory and the promise of this joyous time of year bring peace and happiness to you and those you hold most dear. And may Christ, Our Risen Saviour, always be there by your side to bless you most abundantly and be your loving guide.

He Always Whistled

Have you heard the story of the man whose hobby was growing roses? When he worked in his rose garden, he always whistled. It seemed to everyone that he was whistling much louder than was needed for his own enjoyment. One day a neighbor asked him why it was that he always whistled so loudly.

The man then took the neighbor into his home to meet his wife. The woman was not only an invalid but was completely blind as well. The man, you see, was whistling, not for his benefit, but rather for the benefit of his wife. He wanted his blind wife to know that he was nearby, and that she was not alone. — That story is a wonderful illustration of the significance of Easter Day. The affirmation, "Christ is risen!" reminds us that God is near, and the experiencing of His presence strengthens us in our weakness.
