Advance Stewardship Reflection
 August 13, 2023
 Nineteenth Sunday in Ordinary Time

Stewardship spirituality invites us to surrender control of our lives to God in grateful recognition that all that we have is a gift from Him.

While today's readings remind us that, of course, God is always in control of His creation and His creatures, they illustrate what amazing things can happen when we fully permit God to take charge of our lives — in other words, what can happen when we embrace the stewardship way of life.

When we take our eyes off God, we fail to see that all is gift from Him, we lose trust in Him and we do not make our lives a grateful response to Him.

Peter makes this mistake in our Gospel passage from Matthew. Jesus sends the disciples in a boat ahead of Him to the other side of the shore. Later that evening, Jesus casually strolls up to the boat, walking on the sea. He invites Peter to join Him. As Peter begins to walk on the water, he momentarily takes his eyes off Jesus to notice the strong wind surrounding them. With that, he sinks.

But what if Peter had not taken his eyes off Christ? What a grand adventure he could have had out there walking on the sea with Jesus! When we take our eyes off Christ, the many blessings He has given us, and the loving way He treats us, we sink, too.

But when we embrace the stewardship way of life, letting go of a tight hold over our money, time, and talents, our lives become a grand adventure, rooted firmly and gratefully in the God Who always cares for us.

Holy Day of Obligation

There will be a Vigil Mass on Monday, August 14th at 5:30pm and on Tuesday, August 15th there will be a 8am & 5:30pm Mass.

No Remains

There is what might be called the negative historical proof for Mary's Assumption. It is easy to document that, from the first, Christians gave homage to saints, including many about whom we now know little or nothing. Cities vied for the title of the last resting place of the most famous saints. Rome, for example, houses the tombs of Peter and Paul, Peter's tomb being under the high altar of St. Peter's Basilica in Rome. In the early Christian centuries, relics of saints were zealously guarded and highly prized. The bones of those martyred in the Coliseum, for instance, were quickly gathered up and preserved. There are many accounts of this in the biographies of those who gave their lives for the faith. It is agreed that Mary ended her life in Jerusalem, or perhaps in Ephesus. However, neither those cities nor any other claimed her remains, though there are claims about possessing her (temporary) tomb. And why did no city claim the bones of Mary? Apparently because there weren't any bones to claim, and people knew it. Here was Mary, certainly the most privileged of all the saints (and certainly the most saintly), but we have no record of her bodily remains being venerated anywhere. Why? Because they are in Heaven! She was assumed body and soul into Heaven.
