Mike Debus

Performance Painter

Mike Debus originates from Kansas City, KS and currently resides in Kansas City, MO. Always having a passion for drawing and painting, Mike graduated from college with a Bachelor of Fine Arts. After college and a handful of years in Corporate America Mike decided to change his course and pursue his dream of becoming a full time free-lance artist.

Since 2001 Mike has successfully created portraits, murals, and countless commissions. In November of 2008 Mike was asked if he would paint live on stage at a large youth conference in downtown Kansas City, MO. After reluctantly accepting the challenge, Mike found the experience exhilarating and inspiring. Since then, Mike has made Performance Painting his main focus, taking his talents to the stage where he captivates audiences of all sizes with his Live Art Performance Paintings!
