FATHER EMIL KAPAUN NOVENA : THE BEATITUDES

Please join us praying for Father Kapaun's Cause June 1-9, 2024, or whenever you are able. First read the meditation for the particular day, then conclude with the prayer for canonization. While stationed in Japan before the outbreak of the Korean War, Chaplain Emil Kapaun gave a series of radio broadcasts based on the Eight Beatitudes to his troops. Over the last year of his life both on the battlefield and facing inhumane captivity, Chaplain Kapaun's actions showed his own deep understanding and fidelity to the Beatitudes. Aside from day one and a few additions, each of the reflections in this novena comes from these radio broadcasts.

A novena (from Latin: novem, "nine") is an ancient tradition of devotional praying in Christianity, consisting of private or public prayers repeated for nine successive days or weeks.

The Solemnity of the Most Holy Body and Blood of Christ — Corpus Christi

Today we celebrate Corpus Christi — the Body and Blood of Christ. Jesus' Body and Blood was sacrificed for us on Calvary, but before that excruciating event, He humbly bound Himself to human hands in the Eucharist. As St. Thomas Aquinas expresses, "In this sacrament sins are purged away, virtues are increased, the soul satiated with an abundance of every spiritual gift. No other sacrament is so beneficial." Our Gospel today recounts the Last Supper. As Jesus ate the Passover meal with His apostles, He broke bread, telling them, "This is my Body," and again, poured wine, saying, "This is my Blood... which will be shed for many." In this moment, Jesus sacrificially gave us Himself in the Eucharist by foreshadowing His passion, death and resurrection. Out of total love, Jesus holds nothing back from us. He gives us His entire self. We must ask ourselves; do we understand Who we consume at every Mass? It is our Precious Redeemer. As life becomes busy and our minds are filled with the countless things we must get done each day, we often forget to acknowledge our Savior at Mass; or to spend time with Him throughout our week; or to accept all the graces He wishes to bestow on us as we receive Him. So let us stop and recognize the real presence of our Savior. Jesus gave us the perfect and loving Gift of Himself so that we might be nourished, strengthened and more fully united to Him as we journey to eternal life. Let us strive to intentionally honor and reverence Him at every Mass; strive to fully partake in each Eucharistic meal; and let us find time to visit our Savior in the Tabernacle.

Eucharistic Miracle
 A famous Eucharistic miracle is that of Lanciano, also in Italy, which took place in the year 700. A monk who feared he was losing his vocation was celebrating Mass, and during the consecration the Host turned into flesh and the wine turned into blood. Despite the fact that the miracle took place almost 1300 years ago, you may still see the flesh in a monstrance which is exposed every day and the blood in a glass chalice. (The glass chalice is beneath the monstrance on the right.) I also had the privilege of seeing that Eucharistic miracle during my time in Italy. The blood has congealed and is now in five clots in the glass chalice. In 1971 and 1981 a hospital laboratory tested the flesh and blood and discovered that the flesh is myocardium, which is heart muscular tissue, so we could say it is the heart of Jesus, the Sacred Heart, and the blood is of the blood group AB. In 1978 NASA scientists tested the blood on the Turin Shroud and interestingly also discovered that it is of the blood group AB. (The Sudarium, Face Cloth of Christ, in John 20:6 is also of the blood group AB.) Despite the fact that human flesh and blood should not have remained preserved for 1300 years, the hospital lab tests found no trace of any preservatives. One final interesting point about the five blood clots in the chalice is that when you weigh one of them, it is the same weight as all five together, two of them together weigh the same as all five. In fact no matter what way you combine the blood clots individually or in a group to weigh them, they always weigh the same. (This shows that the full Jesus is present in a particle of the Eucharist no matter how small.) These are two Eucharistic miracles I have seen and which have been authenticated by the Church after investigation.

SPIRITUAL LIFE CENTER PROGRAMS;
ADVANCE REGISTRATION REQUESTED
 For more information and to register, please visit www.slwchita.org or call (316) 744-0167
 As Christians, we find ourselves in the middle of a cosmic battlefield between Satan and all of God's armies. The stakes are high in this spiritual combat. Fortunately, God has given us the weapons we need to emerge victorious from the fight. The most precious of these is His gift of Himself in the Holy Eucharist. This 10 to 2, Dr. Umbarger will show just how the Eucharist is revealed to be a preparation for spiritual battle in the Scriptures, and how we can be more intentional about receiving Eucharistic grace to this end. \$25; lunch is included.
