

➤ *Introducing* ➤ **IGNATIUS BOOK FAIRS**

What are Ignatius Book Fairs?

Our book fairs offer an unparalleled faithful alternative to nationally known book fairs.

Who is behind Ignatius Book Fairs?

Ave Maria University and Ignatius Press have partnered to offer this unique opportunity, collaborating with well-known publishers including Magnificat, Bethlehem Books, and Augustine Institute.

What makes the Ignatius Book Fairs Catalogue unique?

- We ensure that every book is fully vetted. Our curators have faithful and professional education and publishing backgrounds, so parents can be assured that the books at the fair are not only safe for kids but also imbued with faith and virtues.
- Our collection includes captivating Catholic titles along with children's classics and wholesome modern books.

What is the cost?

There is no cost involved. We provide the books for you to sell, allowing your organization to earn "ave dollars." It's not just free—it's an opportunity to generate revenue for your parish or school.

What kind of support can we expect?

- We send engaging promotional materials such as bookmarks, catalogs, and digital flyers that can be personalized for your school.
- A dedicated support team is available to offer guidance before, during, and after the fair.

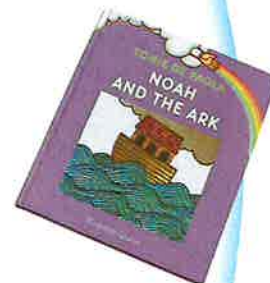

A Book Fair Pro will guide you every step of the way to host a successful and extraordinary fair. Contact us today to get on our calendar!
