**Stewardship Reflection
 February 2nd, 2025**

Today we celebrate the Feast of the Presentation of the Lord, when Mary and Joseph brought their infant Son to the Temple in obedience to the laws of their Jewish faith. This is a beautiful, and in many ways, mysterious feast — and one that is filled with lessons for a stewardship way of life.

Our Gospel passage from Luke, recounting the details of the Presentation, teaches us a stewardship lesson through the example of St. Joseph and the Blessed Mother, the "Holy Parents." Even knowing their Son was God, they still carefully observed the faith practices of their day bringing him to the temple "to present Him to the Lord just as it is written in the law of the Lord." Later in the passage we read that, "When they had fulfilled all the prescriptions of the law of the Lord, they returned to their own town of Nazareth." The Holy Parents were good stewards of their child, teaching Him to live in obedience to the practices of their faith from his infancy and throughout His "growing up" years.

Those of us entrusted with the care of children, whether our own children, godchildren, nieces, and nephews, grandchildren, or students, have a vital role to play in the faith formation of these young ones. We, like the Holy Parents, must steward these children well, forming them in the faith by both instruction and example throughout their lives.

What a privilege and high calling we have as Christian stewards. Let us take these stewardship lessons to heart and present our gifts and our young ones joyfully to the Lord.
