**Stewardship Reflection**  
May 3rd, 2026

The readings on this fifth Sunday of Easter present us with themes of dwelling places and home. As Christian stewards, we recognize that this world is not our permanent home. We are pilgrims here, making our way through the stewardship way of life toward our true home — heaven.

Yet, as we journey toward heaven, we are called to make our dwelling here — whether in a household of one or a full and busy family — a true “domestic church.” In other words, the stewardship way of life begins long before we set foot on parish grounds. Stewardship starts at home. It begins with our families — our domestic churches.

The domestic church plays a key role in our sanctification because it is the primary place where we learn and practice selfless love of others. In our Gospel passage from John, Jesus speaks of heaven as a home filled with dwelling places. “In my Father’s house there are many dwelling places. If there were not, would I have told you that I am going to prepare a place for you?” This is a beautiful image of the glory that awaits us and the personal love our Lord has for us — preparing a place for each one of us who remains faithful to Him.

Let us respond to this great love by becoming good stewards of our earthly dwellings, making our homes true “domestic churches” where we honor God through prayer, care for one another, and generous hospitality.

Let us never forget that stewardship starts at home!

*May is the month of new birth. Mary brought forth new life for all as the Mother of God, and she brings forth new life in our souls through her mediation.*
